YOUR NAME \_\_\_\_\_

DATE OF PRESENTATION \_\_\_\_\_

TITLE OF PRESENTATION \_\_\_\_\_

The assignment is a 3 minute oral presentation in front of the RTVF 77 class. You will pick a simple idea, topic, technology, program format – anything in the media that interests you. You will research it, prepare it, and present it to the class. Fill out this form and turn it in on the day of your presentation.

You may want to use visual aids in the form of an actual device, or a brief power point, handouts, charts. You want to ask questions and answer them in your presentation.

Questions to ask may be: “Why this media? Is it new? Why are you interested in it? Why did it work? Or why did it fail? Did it survive as is or was it modified? How does it serve the greater good? Why should we be interested in it? What new did you learn?”
